

THE INSTITUTE
FOR UNDERGROUND SCIENCE
AT SURF

DAVIS- BAHCALL SCHOLARS PROGRAM

Explore the modern world of STEM research on a four-week, once-in-a-lifetime, all-expense-paid opportunity that connects science-curious students with peers and mentors.

Scholars receive a \$2,000 learning stipend. They spend a week in the Black Hills, including an underground tour of Sanford Underground Research Facility (SURF). They then travel for two weeks to Midwest institutions such as Fermilab, finally traveling to a national laboratory abroad.

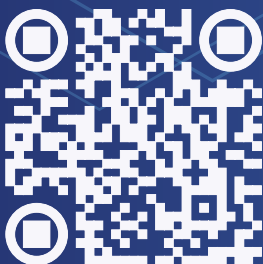

Requirements

- High School seniors and first-year undergraduates are eligible to apply. (must be 18 or older by June 14, 2025)
- Be a current student or graduate of a South Dakota public, private, homeschool, or postsecondary institution
- Have a demonstrated interest in science, with the intent of pursuing an advanced degree in a math, science, engineering or technology field
