    - Exhibit A: Insurance Requirements
    - Exhibit B: Environment Safety and Health Requirements
    - Exhibit C: Scope of Work

- C. **TIME FOR COMPLETION:** The work under this Contract shall be commenced within ten (10) consecutive calendar days after date of issuance of notice to proceed by the SDSTA and shall be completed as described in the SDSTA's written request, excluding punch list items. As to each Contractor proposal, this completion date shall be referred to herein as the “Contract Time.”
- D. This Contract shall terminate as of **Date**, unless otherwise terminated according to the early termination provisions of this Contract.

**II. SDSTA REPRESENTATIVE**

The SDSTA shall from time-to-time designate in writing an SDSTA Representative. The SDSTA Representative shall be responsible for providing SDSTA-supplied information and approvals in a timely manner to permit Contractor to fulfill its obligations pursuant to this Agreement. The SDSTA Representative shall also provide Contractor with prompt notice if it observes any failure on the part of the Contractor to fulfill its contractual obligations, including any errors, omissions or defects in the performance of the work provided for in this Agreement. Unless changed in writing by the SDSTA, the SDSTA Representative is Sarah Wortman ([swortman@sanfordlab.org](mailto:swortman@sanfordlab.org)).

### III. THE RESPONSIBILITIES OF THE SDSTA

- A. For the performance of the work specified in the Contract Documents, SDSTA will pay Contractor and Contractor will accept as full compensation a sum not to exceed the amount of Contractor's proposal amount for each request for work. Nothing in this Agreement shall require the SDSTA to accept any proposal made by Contractor. In no event may the total amount paid to Contractor during the term of this Contract exceed **WRITTEN AMOUNT DOLLARS (\$XX,XXX.XX)**.
- B. Unit Prices, if any, are as follows: *Unit prices are set forth in Exhibit D.*

Where the quantities originally contemplated are so changed that application of the agreed unit price to the quantity of work performed is shown to create a hardship to the SDSTA or the Contractor, there shall be an equitable adjustment of the Contract to prevent such hardship.

### IV. CHANGE ORDERS

- A. A Change Order is a written order to the Contractor signed by the SDSTA, issued after execution of the Contract, authorizing a change in the Work or an adjustment in the Contract Sum or the Contract Time. The Contract Sum and the Contract Time may be changed only by Change Order. A Change Order signed by the Contractor indicates Contractor's agreement therewith, including the adjustment in the Contract Sum or the Contract Time.
- B. The SDSTA, without invalidating the Contract, may order changes in the Work within the general scope of the Contract consisting of additions, deletions, or other revisions, the Contract Sum and the Contract Time being adjusted accordingly. All such changes in the Work shall be authorized by Change Order, and shall be performed under the applicable conditions of the Contract Documents.
- C. The cost or credit to the SDSTA resulting from a change in the Work shall be determined in one or more of the following ways:
  - 1. By mutual acceptance of a lump sum properly itemized and supported by sufficient substantiating data to permit evaluation and acceptance to the SDSTA Representative for such purposes. Such lump sum proposals shall be supported by a completely detailed analysis of the proposed change subdivided into the Work of the Contractor and/or the Work of each subcontractor(s) involved in the proposed change, as applicable.
  - 2. By unit prices stated in this Contract or subsequently agreed upon.
- D. If none of the methods set forth in this Article IV, paragraphs C1 and C2 is agreed upon, the Contractor, provided Contractor receives a written order signed by the SDSTA, shall promptly proceed with the Work involved. The cost of such Work shall then be determined by the SDSTA on the basis of the reasonable expenditures and savings of those performing the Work attributable to the change, including, in the case of an increase in the Contract Sum, a reasonable allowance for Contractor's fee. In such case, Contractor shall keep and present, in such form as the SDSTA may prescribe, an itemized accounting together with appropriate supporting data for inclusion in a Change Order.

### V. DIFFERING SITE CONDITIONS

- A. Contractor shall promptly, and before the conditions are disturbed, give written notice to the SDSTA and Project Engineer of (1) subsurface or latent physical conditions at the site which differ materially from those

indicated in this Contract, or (2) unknown physical conditions at the site, of an unusual nature, which differ materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in this Contract.

- B. The SDSTA shall investigate the site conditions promptly after receiving the notice. If the conditions do materially so differ and cause an increase or decrease in the Contractor's cost of, or the time required for, performing any part of the Work under this Contract, whether or not changed as a result of changed conditions, the Contract Sum shall be adjusted as provided in Article III, provided that the Work has been ordered in writing by the SDSTA.

## **VI. DELAYS AND EXTENSIONS OF TIME**

- A. If the Contractor is delayed at any time in the progress of the Work by any act or neglect of the SDSTA, or by any separate contractor employed by the SDSTA, or by changes ordered in the Work, or by labor disputes not caused by the labor practices of the Contractor, or by fire, unusual delay in transportation, severe and unusual weather conditions not reasonably anticipated, unavoidable casualties, or any other causes beyond Contractor's control and not occurring due to the fault or neglect of the Contractor, any subcontractor or any other person for whose acts the Contractor is responsible, then the Contract Time shall be extended by Change Order for such reasonable time as the SDSTA shall determine.
- B. Any claim for extension of time shall be made in writing to the SDSTA not more than ten (10) days after the commencement of the delay; otherwise it shall be deemed waived. In the case of continuing delay, only one claim is necessary.
- C. Time extensions will not be granted for rain, wind, snow, or other natural phenomena of normal intensity for the locality where the Work is to be performed.
- D. Contractor's right to make a claim or claims for an extension of time shall not preclude Contractor's right to make a claim for delay damages arising out of the SDSTA's significant interference, by action or inaction, with the Contractor's Work.

## **VII. CONTRACTOR'S RESPONSIBILITY FOR PROJECT SAFETY**

Contractor assumes responsibility for implementing and monitoring all Environment, Safety & Health (ESH) precautions and programs related to the performance of the Work, as more fully set forth in attached Exhibit B, incorporated herein by reference.

## **VIII. WORK PLAN POLICY**

- A. Contractor shall maintain a site work plan at all times. Safety and health shall be the top priority with all work plans.
- B. Contractor's work plan shall be reviewed with the SDSTA's Project Team prior to starting the Work. The Project Team shall include the Safety Liaison, Project Manager, and SDSTA's Representative. Any changes to the work plan shall be reviewed with the Project Team prior to making said change.
- C. A representative of the SDSTA's Project Team shall review the work plan daily on site with Contractor and its agents, employees, subcontractors and subconsultants prior to starting work for the day. The review shall emphasize safety and health as the top priority.

## **IX. OWNERSHIP, USE OF DOCUMENTS, CONFIDENTIALITY OF DOCUMENTS**

- A. Any plans, specifications, engineering calculations, technical data, reports, miscellaneous drawings, and all information contained therein provided by the SDSTA, its consultants, employees, contractors and agents to the Contractor for the Contractor's performance of its obligations under this agreement are the property of the SDSTA. They are to be used only with respect to this Project and are not to be used for any other project. The

Contractor may not disseminate these materials to any person or entity nor may the Contractor use these materials for purposes other than work for the SDSTA, without the express written approval of the SDSTA. The SDSTA shall not unreasonably withhold such approval for dissemination of these materials as necessary to subcontractors and suppliers.

- B. All reports, plans, specifications, engineering calculations, technical data, miscellaneous drawings, and information contained therein provided to or prepared by Contractor, its owners, officers, employees, agents, consultants, suppliers, and subcontractors in connection with Contractor's performance under this Contract are confidential and the Contractor, its owners, officers, employees, agents, consultants, suppliers, and subcontractors shall not disclose this information to any person, individual, or entity without the express written permission of the SDSTA.
- C. All documents covered by this article shall be delivered to the SDSTA's Representative at the completion of the Work. The Contractor may not retain any such documents for its own use without the express written permission of the SDSTA and any documents that are retained, with or without SDSTA permission, shall be subject to all of the requirements of this Article.
- D. Contractor shall include the requirements of this article in any contract it enters into with any consultants, subcontractors, suppliers, persons, individuals, or entities for the performance of any of the Contractor's obligations under this Contract.

## **X. PAYMENTS AND INVOICING**

- A. Progress Payments: Subject to the provisions of applicable law, the SDSTA shall make progress payments on a monthly basis for work accomplished in accordance with this Contract.
- B. Final Payment: Subject to the provisions of applicable law, final payment less amounts withheld to cover the cost of nonconforming work, shall be made by the SDSTA within thirty (30) days after the completion and acceptance of the Work by the SDSTA.
- C. Upon receipt of written notice from the Contractor that the Work is ready for final inspection and acceptance, the SDSTA's Project Representative or its authorized representative or both shall make such inspection with representatives of the Contractor and the SDSTA, and when it is found that the work is acceptable under the Contract and the Contract is fully performed as evidenced by inspection, the Project Representative shall promptly approve the voucher for payment.
- D. Contractor shall submit evidence satisfactory to the Project Representative that all claims of unpaid payrolls, material bills and other indebtedness connected with the work have been satisfied, prior to approval of the final payment.
- E. Reimbursement for pre-approved travel expenses, if any, will not exceed Federal Travel Regulations (FTR) standard rates for the applicable travel location. Lodging expenses will be reimbursed at FTR rates or the actual lodging cost, whichever is less; airfare shall be reimbursed at the actual cost of a coach class ticket. No additional burdens or overheads will be applied to travel expense reimbursements.
- F. **Invoicing:** Invoices or Payment Request Forms are to be addressed to the South Dakota Science and Technology Authority, 630 East Summit Street, Lead, SD, 57754, and may be submitted by email to: [AP@sanfordlab.org](mailto:AP@sanfordlab.org). If possible, invoices are to be submitted to the SDSTA on the **3rd day** of the month for work performed in the previous month. Invoices received after the 3<sup>rd</sup> day of the month will be considered to have been received the following month.

## **XI. INDEPENDENT CONTRACTOR**

Contractor agrees that in the performance of this Contract, it and its agents, employees and consultants are acting as independent contractors and not as employees, agents or officers of the SDSTA. As such, Contractor agrees not to use SDSTA equipment, supplies, and facilities unless otherwise agreed to.

## **XII. INDEMNITY**

- A. To the fullest extent permitted by law, Contractor (the "Indemnifying party") agrees to hold harmless and indemnify the Homestake Indemnified Parties, the SDSTA, the State of South Dakota, and the elected officials, directors, officers, employees, agents and representatives of SDSTA and the State of South Dakota (individually, an "Indemnified Party" and collectively, the "Indemnified Parties") from and against any and all actions, suits, damages, liability or other proceedings which may arise as a result of the negligence, intentional acts, misconduct, error or omission of the Indemnifying Party and of any officer, agent, subcontractor of any tier, consultant or employee of the Indemnifying Party but only to the extent of the Indemnifying Party's negligence: misconduct, error or omission or the negligence, misconduct, error or omission of an officer; agent, subcontractor of any tier, consultant, or employee of the Indemnifying Party. This section does not require the Indemnifying Party to indemnify an Indemnified Party from claims or liability to the extent the claim or liability arises out of the acts or omissions of the Indemnified Party.
- B. In the event of a claim against an Indemnified Party by an employee of the Indemnifying Party or any sub-tier contractor or consultant, anyone directly or indirectly employed by the Indemnifying Party, any sub-tier contractor or consultant of the Indemnifying Party, or anyone for whose acts the Indemnifying Party may be liable, the obligation to indemnify set forth in this indemnification clause shall not be subject to any limitation on amount or type of damages, compensation, or benefits payable by or for the Indemnifying Party or any sub-tier contractor or consultant under workers compensation acts, disability benefit acts, or other employee benefit acts.
- C. As used in this indemnification clause, the term "Homestake Indemnified Parties" means Barrick Gold Corporation ("Barrick"); Homestake Mining Company of California ("Homestake"); the affiliates of Barrick or Homestake, and the invitees, licensees, contractors, directors, officers, employees, agents, and any other person that Barrick or Homestake invites upon or authorizes to enter SURF.

## **XIII. INSURANCE**

- A. During the term of this Agreement, Contractor shall maintain in effect at all times, and provide proof of such coverage to the SDSTA, insurance as described on the attached Exhibit "A," which is incorporated herein by this reference. Contractor acknowledges that the South Dakota Science and Technology Authority, its officers, agents, employees and representatives are parties to this Contract and are therefore covered under Contractor's Blanket Endorsements.
- B. Prior to the commencement of Work, Contractor shall submit certificates of insurance policies to the Project Representative and the SDSTA for review and approval.
- C. By executing this Agreement, Contractor authorizes the SDSTA to make direct inquiry of Contractor's insurer or insurance agent concerning the status of the insurance required by this Agreement.

## **XIV. AMENDMENT PROVISION**

This Contract may only be amended with written consent of both parties or as otherwise provided in this Contract.

## **XV. TERMINATION FOR CONVENIENCE**

- A. The performance of this Contract depends upon the continued availability of appropriated funds and expenditure authority from state and federal sources. The SDSTA reserves the right to terminate this Contract in the event of a failure to obtain appropriated funds or grant expenditure authority. In this event, termination shall be made by written notice to Contractor. Termination for this reason is not a default by the SDSTA nor does it give rise to a claim against the SDSTA. In the event of termination of this Contract because of the unavailability of future funding, the SDSTA will make every effort to provide as much notice as possible to the Contractor. The SDSTA will be responsible for all work it authorizes the Contractor to perform, up to the

date of Notice of Cancellation, and will cover all work in progress. In turn, the SDSTA would require the Contractor to make reasonable efforts to limit the SDSTA's liability for the work in progress.

- B. The SDSTA may terminate this Contract at any time without cause, in whole or in part, upon giving Contractor notice of such termination. Upon such termination, Contractor shall immediately cease work and remove from the project site all of its labor forces and such of its materials as the SDSTA elects not to purchase or to assume. Contractor shall receive as full compensation for termination and assignment the following:
1. All amounts then otherwise due under the terms of this Contract,
  2. Amounts due for work performed subsequent to the latest Request for Payment through the date of termination,
  3. Reasonable compensation for the actual cost of demobilization incurred by Contractor as a direct result of such termination. Contractor shall not be entitled to any compensation for lost profits or for any other type of contractual compensation or damage other than those provided by the preceding sentence. Upon payment of the foregoing, the SDSTA shall have no further obligations to Contractor of any nature.

## **XVI. TERMINATION FOR DEFAULT**

If Contractor is in default under the Contract Documents, the SDSTA may, without prejudice to any other right or remedy and upon written notice to the Contractor, terminate the Contract.

## **XVII. DISPUTES**

- A. Governing Law: The Contract shall be governed by South Dakota law.
- B. Claims for Damages: Should either party to the Contract suffer injury or damage because of any act or omission of the other party or of any of the other party's employees, agents or others for whose acts the other party is legally liable, claim shall be made in writing to such other party within 14 days after the first observance of such injury or damage.
- C. All claims, counterclaims, disputes or other matters in question between the SDSTA and the Contractor arising out of, or relating to this Contract, or the breach thereof, will be decided in the state courts of South Dakota. Contractor irrevocably and unconditionally agrees to the exclusive jurisdiction of said courts and waives any objection thereto based on the doctrine of forum nonconveniens.
- D. Contractor shall carry on the Work and maintain its progress during any dispute or litigation proceedings, and the SDSTA shall continue to make payments to the Contractor to the extent required by the Contract Documents and South Dakota law.

Anything elsewhere in this Agreement to the contrary notwithstanding, any such documents, information or data may become public records open to public inspection.
- B. The terms of this Agreement shall be construed and governed under the laws of the State of South Dakota. Any lawsuit arising out of or pertaining to the Agreement shall be commenced in the state courts of South Dakota. The Contractor shall not engage the services of any subcontractors without the prior express, written consent of the SDSTA. Time is of the essence in the performance of the covenants, terms and conditions of the Agreement. This Agreement constitutes the entire agreement of the parties concerning its subject matter, and supersedes any prior discussions, representations or agreements, wither oral or written. The terms of this Agreement may only be amended by a written document, executed with the same formalities as this Agreement.
- C. Any agreement entered into by the Contactor with any designer, consultant, subconsultant, contractor, subcontractor or other person to perform work in connection with this Agreement shall include the provisions and requirements of Articles III, VII, VIII, IX, XI, XII, XIII, XIX, XX, XXI, XXII and XXIII of this Agreement; provided, however, that the amount of general liability insurance required of the designer, consultant, subconsultant, contractor, subcontractor or other person shall be specified by the SDSTA in writing.
- D. Debarment or Suspension: By signing this Contract, the Contractor certifies to the best of its knowledge and belief that it and all persons associated with the Contract, including persons or corporations who have critical influence on or control over the Contract, are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.
- E. Service Contract Act Requirements: In accordance with the clause of the General Provisions entitled Service Contract Act of 1965, As Amended (FAR 52.222-41), the Contractor shall pay its service employees, as defined, and ensure that service employees of lower-tier subcontractors are paid, not less than the minimum monetary wages, and shall furnish to them the fringe benefits, specified in the U.S. Department of Labor Wage Determination of this Contract, attached hereto as Exhibit H and incorporated by reference.
- F. Contractor agrees to use the E-Verify System ([www.uscis.gov](http://www.uscis.gov)) to verify the employment eligibility of all employees assigned to this Contract and all new hires working in the United States, and to provide E-Verify documentation to the SDSTA within ten (10) days of execution of this Contract. If Contractor is a sole proprietorship with no employees, E-Verify is not required. Contractor further agrees to maintain an active registration, during the term of the Contract, with the System for Award Management ([www.sam.gov](http://www.sam.gov)).
- G. SDSTA is required by a Cooperative Agreement (CA) with the U.S. Department of Energy's Office of Science to control access to the facility by foreign nationals and to provide protection against any potential compromise of information, equipment or technology. In order to comply with these requirements, SDSTA has adopted a Foreign Access Policy and Foreign Access Procedure. The Contractor is responsible to ensure compliance with the Foreign Access Policy and Foreign Access Procedure. Without limiting the generality of the foregoing, before a SURF visit or assignment can occur, proof of identity and citizenship are required for all foreign national visitors to verify the foreign national's identity and authority to work (when applicable for

the activities involved) in the United States. If foreign nationals will be visiting SURF in association with this contract, the Contractor must notify the SDSTA Representative in advance to ensure compliance with SDSTA's Foreign Access Policy and Foreign Access procedure, and to with any other applicable DOE and SDSTA requirements. Failure to provide appropriate documentation when required, or providing fraudulent documentation, will result in suspension of access approval, removal from SURF, possible cancellation of future access, and possible termination of this Contract for cause. Any changes to the Foreign Access Policy, Foreign Access Procedure, or other DOE or SDSTA requirements implemented after the effective date of this Contract are hereby deemed incorporated into this Contract by reference without the need for a further writing.

## **XX. REPORTING**

Contractor agrees to report to the SDSTA any event encountered in the course of performance of this Agreement which results in injury to any person or property, or which may otherwise subject Contractor, the SDSTA or the SDSTA's officers, agents or employees to liability. Contractor shall report any such event to the SDSTA immediately upon discovery.

Contractor's obligation under this section shall only be to report the occurrence of any event to the SDSTA and to make any other report provided for by Contractor's duties or applicable law. Contractor's obligation to report shall not require disclosure of any information subject to privilege or confidentiality under law (e.g., attorney-client communications.) Reporting to the SDSTA under this Article shall not excuse or satisfy any obligation of Contractor to report any event to law enforcement or other entities under the requirements of any applicable law.

## **XXI. CONFLICTS OF INTEREST**

Contractor agrees to avoid conflicts of interest, and to provide the SDSTA and the Project Representative with prompt written notification of any circumstances which may give rise to actual or apparent conflict of interest. The existence of an unresolved conflict of interest shall constitute cause to terminate this Agreement.
