

EXPLORE SCIENCE.
EXPAND YOUR FUTURE.

DAVIS-BACHALL SCHOLARS PROGRAM

Curious about the universe?

The Davis-Bachall Scholars Program is a four-week, all-expenses-paid experience for South Dakota students interested in science, technology, engineering, or math. Scholars explore leading STEM industries across the Midwest and visit world-class laboratories in the U.S. and abroad.

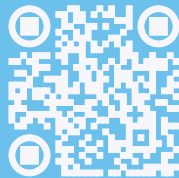

2025 Davis Bachall Scholars at
Boulby Underground Laboratory, UK

Who Can Apply:

- Current high school seniors or graduates from a South Dakota public, private, or home school
- First-year students enrolled in a South Dakota college or university
- Must be 18 or older by June 13, 2026
- Intent to pursue a degree in STEM
