Plans, specifications and proposal documents will be available on or after May 7, 2018 and can be obtained by utilizing the link in the SmartBidNet bid invitation sent by KAJV. If you have not received a bid invitation via SmartBidNet (notifications@smartbidnet.com), please contact: David Neidballa (david.neidballa@kiewit.com) or Elizabeth Barnhart (elizabeth.barnhart@kiewit.com) to request an invitation with the password protected link.

All proposers are required to submit a Statement of Qualification, an Exhibit F – Fermilab Subcontractor Safety Information Questionnaire and an Organizational Conflict of Interest Statement seven (7) days prior to the proposal due date for a Bid Package. Forms are included in Specification Section 003100 Sub-Subcontractor Statement of Qualification Forms as well as offered in advance on the SmartBidNet site.

Pre-Proposal meetings and walk-throughs of the project site and work areas will be held the week of May 21, 2018 per the Pre-Proposal Meeting & Site Visit Schedule included in Section 001510 of the proposal documents and as provided in advance on the SmartBidNet site. Pre-Proposal meetings and site visits (by groups of Bid Packages) may be scheduled on different dates and times to accommodate numbers of attendees. Firms who wish to visit the underground tour areas (limited to Bid Packages that will have work underground) will be limited to 3 tour attendees per company. All attendees must register with David Neidballa (david.neidballa@kiewit.com) or Elizabeth Barnhart (elizabeth.barnhart@kiewit.com) no later than May 18, 2018. Times for underground tours may be re-assigned 48 hours prior the site visit. Accommodations / inclusion of those who do not pre-register for underground tours will not be made on the date of the tour. All attendees will be required to wear safety-toed boots, reflective vest, safety glasses /shields, and hard hats. All attendees who plan to go on site tours (both surface and underground) will complete site entry training session and will be required to sign a waiver for entry. Attendees shall meet at 630 East Summit Street, Lead SD, 57754 (Yates Complex at SURF) at the date and time provided.

The last day(s) to submit Requests for Information (RFIs) for Bid Packages is shown on the Bid Package Letting Schedule.

Proposals for Bid packages will be received until 2:00 PM MDT on the dates indicated in the Bid Package Letting Schedule and shall be submitted in accordance with the Instruction to Bidders.

Bidders should note that this project includes Prevailing Wage Requirements, is not tax-exempt and will require the successful contractors to furnish performance and payment bonds for the full value of the contracted price Performance and Payment Bonds will not be required from firms submitting proposals for Service Bid Packages). Please refer Sections 001000 Instructions to Bidders and 001500 Project Special Conditions for these and all other all proposal requirements.

All administrative, technical, schedule or operational questions should be addressed to KAJV as described in the Instructions to Bidders.
