

South Dakota Science and Technology Authority/
Sanford Underground Research Facility Lead, South Dakota

RFP – Internal Control Audit Guidelines

Amendment 1

Issued February 12, 2019

Date Extensions: Based on questions from potential vendors, SDSTA has decided to cancel this RFP to convene a meeting with its Audit Committee to review its needs and reissue a more robust RFP at a later date. Please email mbaumann@sanfordlab.org to be placed on a list to be notified when the replacement RFP is posted. We appreciate your patience as we work toward the most complete package possible.
