In such case, Contractor shall keep and present, in such form as the SDSTA may prescribe, an itemized accounting together with appropriate supporting data for inclusion in a Change Order.

B. The SDSTA shall investigate the site conditions promptly after receiving the notice. If the conditions do materially so differ and cause an increase or decrease in the Contractor's cost of, or the time required for, performing any part of the Work under this Contract, whether or not changed as a result of changed conditions, the Contract Sum shall be adjusted as provided in Article III, provided that the Work has been ordered in writing by the SDSTA.

The SDSTA reserves the right to terminate this Contract in the event of a failure to obtain appropriated funds or grant expenditure authority. In this event, termination shall be made by written notice to Contractor. Termination for this reason is not a default by the SDSTA nor does it give rise to a claim against the SDSTA. **9.1** The Subcontractor agrees to indemnify, save harmless, and defend Fermi Research Alliance, LLC, the University of Chicago, Universities Research Association, Inc., and the United States Government and their agents and employees from and against any and all liabilities, claims, damages, losses, penalties, forfeitures, fines, suits, and the costs and

The obligations of the Subcontractor under this clause 9.1 will survive the final completion or termination of this Subcontract.

**9.2** Except to the extent covered by insurance required under this Subcontract and the indemnification provisions required under this Subcontract, the Subcontractor and SDSTA waive consequential damages for claims, disputes or other matters arising out of or relating to this Subcontract.

# 10. SERVICE CONTRACT ACT OF 1965, AS AMENDED

**10.1** This Subcontract is subject to the Service Contract Act of 1965 as amended, (41 U.S.C. 351 et seq.) and is subject to the following provisions and to all other applicable provisions of the Act and regulations of the Secretary of Labor issued there under (29 CFR Part 4).

**10.2** (a) Each service employee employed in the performance of this Subcontract by the Subcontractor or any sub-subcontractor shall be paid not less than the minimum monetary wages and shall be furnished fringe benefits in accordance with the wages and fringe benefits determined by the Secretary of Labor or authorized representative, as specified in any wage determination attached to this Subcontract.

(b) If there is such a wage determination attached to this Subcontract, SDSTA shall require that any class of service employee which is not listed therein, and which is to be employed under this Subcontract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the Subcontractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and those listed in the wage determination. Such conformed class of employees shall be paid the monetary wages and furnished the fringe benefits as are determined pursuant to the procedures in this paragraph 10.2.

(c) Such conforming procedure shall be initiated by the Subcontractor prior to the performance of Subcontract work by such unlisted class of employee. A written report of the proposed conforming action, including information regarding the agreement or disagreement of the authorized representative of the employees involved or, where there is no authorized representative, the employees themselves, shall be submitted by the Subcontractor to SDSTA no later than 30 days after such unlisted class of employees performs any Subcontract work. SDSTA shall review the proposed action and promptly submit a report of the action, together with its recommendation and all pertinent information including the position of the Subcontractor and the employees, through the Department, to the Wage and Hour

Division, Employment Standards Administration, U.S. Department of Labor, for review. The Wage and Hour Division will approve, modify, or disapprove the action or render a final determination in the event of disagreement within 30 days of receipt or will notify the Department within 30 days of receipt that additional time is necessary.

(d) The final determination of the conformance action by the Wage and Hour Division shall be transmitted through the Department, to SDSTA which shall promptly notify the Subcontractor of the action taken. Each affected employee shall be furnished by the Subcontractor with a written copy of such determination or it shall be posted as a part of the wage determination.

(e) (i) The process of establishing wage and fringe benefit rates that bear a reasonable relationship to those listed in a wage determination cannot be reduced to any single formula. The approach used may vary from wage determination to wage determination depending on the circumstances. Standard wage and salary administration practices which rank various job classifications by pay grade pursuant to point schemes or other job factors may, for example, be relied upon. Guidance may also be obtained from the way different jobs are rated under Federal pay systems (Federal Wage Board Pay System and the General Schedule) or from other wage determinations issued in the same locality. Basic to the establishment of any conformable wage rate(s) is the concept that a pay relationship should be maintained between job classifications based on the skill required and the duties performed.

(ii) In the case of a Subcontract modification, an exercise of an option or extension of an existing Subcontract, or in any other case where a Sub-contractor succeeds a Subcontract under which the classification in question was

previously conformed pursuant to this paragraph 10.2, a new conformed wage rate and fringe benefits may be assigned to such conformed classification by indexing (i.e., adjusting) the previous conformed rate and fringe benefits by an amount equal to the average (mean) percentage increase (or decrease, where appropriate) between the wages and fringe benefits specified for all classifications to be used on the Subcontract which are listed in the current wage determination, and those specified for the corresponding classifications in the previously applicable wage determination. Where conforming actions are accomplished in accordance with this paragraph prior to the performance of Subcontract work by the unlisted class of employees, the Subcontractor shall advise SDSTA of the action taken but the other procedures in paragraph 10.2 (c) of this clause need not be followed.

(iii) No employee engaged in performing work on this Subcontract shall in any event be paid less than the currently applicable minimum wage specified under section 6(a)(1) of the Fair Labor Standards Act of 1938, as amended.

(iv) The wage rate and fringe benefits finally determined pursuant to paragraphs 10.2 (b) and (c) of this clause shall be paid to all employees performing in the classification from the first day on which work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or finally determined by the Wage and Hour Division retroactive to the date such class of employees commenced Subcontract work shall be a violation of the Act and this Subcontract.

(f) Upon discovery of failure to comply with paragraphs 10.2 (b) through 10.2 (e) (4) of this clause, the Wage and Hour Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be retroactive to the date such class of employees commenced Subcontract work.

**10.3** If, as authorized pursuant to section 4(d) of the Service Contract Act of 1965, as amended, the term of this Subcontract is more than one year, the minimum monetary wages and fringe benefits required to be paid or furnished thereunder to service employees shall be subject to adjustment after one year and not less often than once every two years, pursuant to wage determinations to be issued by the Wage and Hour Division, Employment Standards Administration of the Department of Labor as provided in such Act.

**10.4** The Subcontractor or sub-subcontractor may discharge the obligation to furnish fringe benefits specified in the attachment or determined conformably thereto by furnishing any equivalent combinations of bona fide fringe benefits, or by making equivalent or differential payments in cash in accordance with the applicable rules set forth in Subpart D of 29 CFR Part 4, and not otherwise.

**10.5** In the absence of a minimum wage attachment for this Subcontract, neither the Subcontractor nor any sub-Subcontractor under this Subcontract shall pay any person performing work under the Subcontract (regardless of whether they are service employees) less than the minimum wage specified by section 6 (a)(1) of the Fair Labor Standards Act of 1938, as amended. Nothing in this provision shall relieve the Subcontractor or any sub-subcontractor of any other obligation under law or contract for the payment of a higher wage to any employee.

**10.6** If this Subcontract succeeds a Subcontract, subject to the Service Contract Act of 1965, as amended, under which substantially the same services were furnished in the same locality and service employees were paid wages and fringe benefits provided for in a collective bargaining agreement, in the absence of the minimum wage attachment for this Subcontract setting forth such collectively bargained wage rates and fringe benefits, neither the Subcontractor nor any sub-subcontractor under this Subcontract shall pay any service employee performing any of the Subcontract work (regardless of whether or not such employee was employed under the predecessor Subcontract), less than the wages and fringe benefits provided for in such collective bargaining agreement, to which such employee would be entitled if employed under the predecessor Subcontract, including accrued wages and fringe benefits and any prospective increases in wages and fringe benefits provided for under such agreement. No Subcontractor or sub-subcontractor under this Subcontract may be relieved of the foregoing obligation unless the limitations of paragraph 4.1 b (b) of 29 CFR Part 4 apply or unless the Secretary of Labor or his authorized representative finds, after a hearing as provided in

§ 4.10 of 29 CFR Part 4 that the wages and/or fringe benefits provided for in such agreement are substantially at variance with those which prevail for services of a character similar in the locality, or determines, as provided in § 4.11 of 29 CFR Part 4, that the collective bargaining agreement applicable to service employees employed under the predecessor Subcontract was not entered into as a result of arms-length negotiations. Where it is found in accordance with the review procedures provided in 29 CFR 4.10 and/or 4.11 and Parts 6 and 8 that some or all of the wages and/or fringe benefits contained in a predecessor Subcontractor's collective bargaining agreement are substantially at variance with those which prevail for services of a character similar in the locality, and/or that the collective bargaining agreement applicable to service employees employed under the predecessor Subcontract was not entered into as a result of arm's- length negotiations, the Department of Labor will issue a new or revised wage determination setting forth the

applicable wage rates and fringe benefits. Such determination shall be made part of the Subcontract or subsubcontract, in accordance with the decision of the Administrator, the Administrative Law Judge, or the Board of Service Contract Appeals, as the case may be, irrespective of whether such issuance occurs prior to or after the award of a Subcontract or sub-subcontract (53 Comp. Gen 401 (1973)). In the case of a wage determination issued solely as a result of a finding of substantial variance, such determination shall be effective as of the date of the final administrative decision.

**10.7** The Subcontractor and any sub-subcontractor under this Subcontract shall notify each service employee commencing work on this Subcontract of the minimum wage and any fringe benefits required to be paid pursuant to this Subcontract, or shall post the wage determination attached to this Subcontract. The poster provided by the Department of Labor (Publication WH 1313) shall be posted in a prominent and accessible place at the work site. Failure to comply with this requirement is a violation of section 2(a)(4) of the Act and of this Subcontract.

**10.8** The Subcontractor or sub-subcontractor shall not permit any part of the services called for by this Subcontract to be performed in buildings or surroundings or under working conditions provided by or under the control or supervision of the Subcontractor or sub-subcontractor which are unsanitary or hazardous or dangerous to the health or safety of service employees engaged to furnish these services, and the Subcontractor or sub-subcontractor shall comply with the safety and health standards applied under 29 CFR Part 1925.

**10.9** (a) The Subcontractor and each sub-subcontractor performing work subject to the Act shall make and maintain for 3 years from the completion of the work, records containing the information specified in subparagraphs

a) through (vi) of this paragraph for each employee subject to the Act and shall make them available for

5

inspection and transcription by authorized representatives of the Wage and Hour Division, Employment Standards Administration of the U.S. Department of Labor.

- b) Name and address and social security number of each employee.
- c) The correct work classification or classifications, rate or rates of monetary wages paid and fringe benefits provided, rate or rates of fringe benefit payments in lieu thereof, and total daily and weekly compensation of each employee.
- d) The number of daily and weekly hours so worked by each employee.
- e) Any deductions, rebates, or refunds from the total daily or weekly compensation of each employee.
- f) A list of monetary wages and fringe benefits for those classes of service employees not included in the wage determination attached to this Subcontract, but for which such wage rates or fringe benefits have been determined by the interested parties or by the Administrator or authorized representative pursuant to the Labor Standards clause in paragraph 10.2 of this clause. A copy of the report required in paragraph 10.2 (c) of this clause shall be deemed to be such a list.
- g) Any list of the predecessor Subcontractor's employees which had been furnished to the Subcontractor pursuant to paragraph 10.14(b) of this clause.

(b) The Subcontractor shall also make available a copy of this Subcontract for inspection or transcription by authorized representatives of the Wage and Hour Division.

(c) Failure to make and maintain or to make available such records for inspection and transcription shall be a violation of the regulations and this Subcontract, and in the case of failure to produce such records, SDSTA, upon direction of the Department of Labor and notification to the Subcontractor, shall take action to cause suspension of any further payment or advance of funds until such violation ceases.

(d) The Subcontractor shall permit authorized representatives of the Wage and Hour Division to conduct interviews with employees at the worksite during normal working hours.

**10.10** The Subcontractor shall unconditionally pay to each employee subject to the Act all wages due free and clear and without subsequent deduction (except as otherwise provided by law or regulations, 29 CFR Part 4), rebate, or kickback on any account. Such payments shall be made no later than one pay period following the end of the regular pay period in which such wages were earned or accrued. A pay period under this Act may not be of any duration longer than semi-monthly.

**10.11** There shall be withheld or caused to be withheld from the Subcontractor under this Subcontract or any other Subcontract or Government contract with the Subcontractor such sums as an appropriate officer of the Department of Labor requests, or such sums as may be necessary to pay underpaid employees employed by the Subcontractor or any sub-subcontractor. In the event of failure to pay any employees subject to the Act all or part of the Wages or fringe benefits due under the Act, SDSTA may, after authorization or by direction of the Department of Labor and written notification to the Subcontractor, take action to cause suspension of any further payment or advance of funds until such violations have ceased. Additionally, any failure to comply with the requirements of these clauses relating to the

Service Contract Act of 1965 may be grounds for termination of the right to proceed with the Subcontract work. In such event, SDSTA may enter into other Subcontracts or arrangements for completion of the work, charging the Subcontractor in default with any additional cost.

**10.12** The Subcontractor agrees to insert these clauses relating to the Service Contract Act of 1965 in all sub- Subcontracts subject to the Act.

#### **10.13** SERVICE EMPLOYEE.

As used in clause 10, the term "service employee" means any person engaged in the performance of this Subcontract (other than any person employed in a bona fide executive, administrative, or professional capacity, as those terms are defined in Part 541 of Title 29 Code of Federal Regulations, as revised. The term "service employee" includes all such persons regardless of any contractual relationship that may be alleged to exist between a Subcontractor or sub- subcontractor and such persons.

**10.14** (a) If wages to be paid or fringe benefits to be furnished any service employees employed by the Subcontractor or any sub-subcontractor under the Subcontract are provided for in a collective bargaining agreement which is or will be effective during any period in which the Subcontract is being performed, the Subcontractor shall report such fact to SDSTA, together with full information as to the application and accrual of such wages and fringe benefits, including any prospective increases, to service employees

engaged in work on the Subcontract, and a copy of the collective bargaining agreement. Such report shall be made upon commencing performance of the Subcontract, in the case of collective bargaining agreements effective at such time, and in the case of such agreements or provisions or amendments thereof effective at a later time during the period of Subcontract performance, such agreements shall be reported promptly after negotiation thereof.

(b) Not less than 10 days prior to completion of this Subcontract, the Subcontractor shall furnish to SDSTA a certified list of the names of all service employees on the Subcontractor's or subsubcontractor's payroll during the last month of Subcontract performance. Such list shall also contain anniversary dates of employment on the Subcontract either with the current or predecessor Subcontractors of each such service employee. SDSTA shall turn over such list to the successor Subcontractor at the commencement of the succeeding Subcontract.

**10.15** Rulings and interpretations of the Service Contract Act of 1965, as amended, are contained in Regulations, 29 CFR Part 4.

**10.16** (a) By entering into this Subcontract, the Subcontractor (and officials thereof) certifies that neither it (nor he or she) nor any person or firm who has a substantial interest in the Subcontractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of the sanctions imposed pursuant to section 5 of the Act.

(b) No part of this Subcontract shall be sub-subcontracted to any person or firm ineligible for award of a Government contract pursuant to section 5 of the Act.

(c) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

**10.17** Notwithstanding any of the provisions in paragraphs 10.2 through 10.15 of this clause, relating to the Service Contract Act of 1965, the following employees may be employed in accordance with the following variations, tolerances, and exceptions, which the Secretary of Labor, pursuant to section 4(b) of the Act prior to its amendment by Public Law 92-473, found to be necessary and proper in the public interest or to avoid serious impairment of the conduct of Government business:

(a) (i) Apprentices, student-learners, and workers whose earning capacity is impaired by age, physical, or mental deficiency or injury may be employed at wages lower than the minimum wages otherwise required by section 2(a)(1) or 2(b)(1) of the Service Contract Act of 1965, without diminishing any fringe benefits or cash payments in lieu thereof required under section 2(a)(2) of that Act, in accordance with the conditions and procedures prescribed for the employment of apprentices, student-learners, handicapped persons, and handicapped clients of sheltered workshops under section 14 of the Fair Labor Standards Act of 1938, in the regulations issued by the Administrator (29 CFR Parts 520, 521, 524, and 525).

(ii) The Administrator will issue certificates under the Service Contract Act for the employment of apprentices, student-learners, handicapped persons, or handicapped clients of sheltered workshops not subject to the Fair Labor Standards Act of 1938, or subject to different minimum rates of pay under the two acts, authorizing appropriate rates of minimum wages (but without changing requirements concerning fringe benefits or supplementary cash payments in lieu thereof) applying procedures prescribed by the applicable regulations issued under the Fair Labor Standards Act of 1938 (29 CFR Parts 520, 521, 524, and525);

(iii) The Administrator will also withdraw, annul, or cancel such certificates in accordance with the regulations in Parts 525 and 528 of Title 29 of the Code of Federal Regulations.

Any employee who is not registered as an apprentice in an approved program shall be paid the wage rate and fringe benefits contained in the applicable wage determination for the journeyman classification of work actually performed. The wage rates paid apprentices shall not be less than the wage rate for their level of progress set forth in the registered program, expressed as the appropriate percentage of the journeyman's rate contained in the applicable wage determination. The allowable ratio of apprentices to journeymen

employed on the Subcontract work in any craft classification shall not be greater than the ratio permitted to the Subcontractor as to his entire work force under the registered program.

**10.19** An employee engaged in an occupation in which he or she customarily and regularly receives more than \$30 a month in tips may have the amount of tips credited by the employer against the minimum wage required by section 2(a)(1) or section 2(b)(1) of the Act, in accordance with section 3(m) of the Fair Labor Standards Act and Regulations, 29 CFR Part 531; provided, however, that the amount of such credit may not exceed \$1.34 per hour. To utilize this proviso:

(c) The employer must be able to show by records that the employee receives at least the applicable Service Contract Act minimum wage through the combination of direct wages and tip credit;

(d) The use of such tip credit must have been permitted under any predecessor collective bargaining agreement applicable by virtue of section 4(c) of the Act.

**15.2** The Subcontractor warrants that the prices in this Subcontract do not include any allowance for any contingency to cover increased costs for which adjustment is provided under this clause.

**15.3** The Subcontract price or Subcontract unit price labor rates will be adjusted to reflect increases or decreases by the Subcontractor in wages and fringe benefits to the extent that these increases or decreases are made to comply with -

(a) An increased or decreased wage determination applied to this Subcontract by operation of law; or

(b) An amendment to the Fair Labor Standards Act of 1938 that is enacted subsequent to award of this Subcontract, affects the minimum wage, and becomes applicable to this Subcontract under law.

**15.4** Any such adjustment will be limited to increases or decreases in wages and fringe benefits as described in paragraph 15.3 of this clause, and to the accompanying increases or decreases in social security and unemployment

taxes and workers' compensation insurance; it shall not otherwise include any amount for general and administrative costs, overhead, or profit.

**15.5** The Subcontractor shall notify SDSTA of any increase claimed under this clause within 30 days after the effective date of the wage change, unless this period is extended by SDSTA in writing. The

Subcontractor shall promptly notify SDSTA of any decrease under this clause, but nothing in the clause shall preclude SDSTA from asserting a claim within the period permitted by law. The notice shall contain a statement of the amount claimed and any relevant supporting data that SDSTA may reasonably require. Upon agreement of the parties, the Subcontract price or Subcontract unit price labor rates shall be modified in writing. The Subcontractor shall continue performance pending agreement on or determination of any such adjustment and its effective date.

**15.6** SDSTA or an authorized representative shall, until the expiration of 3 years after final payment under the Subcontract, have access to and the right to examine any directly pertinent books, documents, papers, and records of the Subcontractor.

NOTE: The following paragraphs 15.7, 15.8, 15.9 and 15.10 apply only in the event this Subcontract is a multiple year Subcontract or a Subcontract containing an option(s) to renew for an additional period(s). In that event, they apply in lieu of paragraphs 15.3, 15.4, and 15.5 above.

**15.7** The wage determination, issued under the Service Contract Act of 1965, as amended (41 U.S.C. 351, et seq.), by the Administrator, Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, current on the anniversary date of a multiple year Subcontract or the beginning of each renewal option period, shall apply to this Subcontract. If no such determination has been made applicable to this Subcontract, then the Federal minimum wage as established by section 6(a)(1) of the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 206) current on the anniversary date of a multiple year Subcontract or the beginning of each renewal option period, shall apply to this Subcontract.

**15.8** The Subcontract price or Subcontract unit price labor rates will be adjusted to reflect the Subcontractor's actual increase or decrease in applicable wages and fringe benefits to the extent that the increase is made to comply with or the decrease is voluntarily made by the Subcontractor as a result of:

(a) The Department of Labor wage determination applicable on the anniversary date of multiple year Subcontract, or at the beginning of the renewal option period. For example, the prior wage determination required a minimum wage rate of \$4.00 per hour. The Subcontractor chose to pay \$4.10. The new wage determination increases the minimum rate to \$4.50 per hour. Even if the Subcontractor voluntarily increases the rate to \$4.75 per hour, the allowable price adjustment is \$.40 per hour;

(b) An increased or decreased wage determination otherwise applied to the Subcontract by operation of law; or

(c) An amendment to the Fair Labor Standards Act of 1938 that is enacted after the award of this Subcontract, affects the minimum wage, and becomes applicable to this Subcontract under law.

**15.9** Any adjustment will be limited to increases or decreases in wages and fringe benefits as described in paragraph

**15.8** of this clause, and the accompanying increases or decreases in social security and unemployment taxes and workers' compensation insurance, but shall not otherwise include any amount for general administrative costs, overhead, or profit.

**15.10** The Subcontractor shall notify SDSTA of any increase claimed under this clause within 30 days after receiving a new wage determination unless this notification period is extended in writing by SDSTA. The Subcontractor shall promptly notify SDSTA of any decrease under this clause, but nothing in this clause shall preclude SDSTA from asserting a claim within the period permitted by law. The notice shall contain a statement of the amount claimed and any relevant supporting data, including payroll records that SDSTA may reasonably require. Upon agreement of the parties, the Subcontract price or Subcontract unit price labor rates shall be modified in writing. The Subcontractor shall continue performance pending agreement on or determination of any such adjustment and its effective date.

# 16. INSPECTION OF SERVICES

**16.1** DEFINITION. "Services," as used in this clause, includes services performed, workmanship, and material furnished or used in performing services.

16.2 The Subcontractor shall provide and maintain an inspection system acceptable to SDSTA covering

the services under this Subcontract. Complete records of all inspection work performed by the Subcontractor shall be maintained and made available to SDSTA during contract performance and for as long afterwards as the contract requires.

**16.3** SDSTA has the right to inspect and test all services called for by the Subcontract, to the extent practicable at all places and times during the term of the contract. SDSTA shall perform inspections and tests in a manner that will not unduly delay the work.

**16.4** If any of the services performed do not conform with Subcontract requirements, SDSTA may require the Subcontractor to perform the services again in conformity with Subcontract requirements, for no additional fee. When the defects in services cannot be corrected by reperformance, SDSTA may require the Subcontractor to take necessary action to ensure that future performance conforms to Subcontract requirements.

**16.5** If the Subcontractor fails to promptly perform the services again or take the action necessary to ensure future performance in conformity with contract requirements, SDSTA may—

(a) By Subcontract or otherwise, perform the services and reduce any fee payable by an amount that is equitable under the circumstances; or

(b) Terminate the Subcontract for default.

**17.3** Offerors may obtain from the Procurement Administrator a list of foreign articles that the Procurement Administrator will treat as domestic for this contract.

**17.4** The Subcontractor shall use only domestic end products except to the extent that it specified delivery of foreign end products in the provision of the solicitation entitled "Buy American Certificate."

### 19. [RESERVED]

### 20. MINIMUM WAGES UNDER EXECUTIVE ORDER 13658

#### 20.1 DEFINITIONS. AS USED IN THIS CLAUSE—

(a) "United States" means the 50 states and the District of Columbia.

(b) "Worker"—

(i) Means any person engaged in performing work on, or in connection with, a Subcontract covered by Executive Order 13658, and

(A) Whose wages under such Subcontract are governed by the Fair Labor Standards Act (29 U.S.C. chapter 8), the Service Contract Labor Standards statute (41 U.S.C. chapter 67), or the Wage Rate Requirements (Construction) statute (40 U.S.C. chapter 31, subchapter IV),

(B) Other than individuals employed in a bona fide executive, administrative, or professional capacity, as those terms are defined in 29 CFR part 541,

(C) Regardless of the contractual relationship alleged to exist between the individual and the employer.

(ii) Includes workers performing on, or in connection with, the Subcontract whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(c).

(iii) Also includes any person working on, or in connection with, the Subcontract and individually registered in a bona fide apprenticeship or training program registered with the Department of Labor's Employment and Training Administration, Office of Apprenticeship, or with a State Apprenticeship Agency recognized by the Office of Apprenticeship.

### **20.2** EXECUTIVE ORDER MINIMUM WAGE RATE.

(a) The Subcontractor shall pay to workers, while performing in the United States, and performing on, or in connection with, this Subcontract, a minimum hourly wage rate of \$10.10 per hour beginning January 1, 2015.

(b) The Subcontractor shall adjust the minimum wage paid, if necessary, beginning January 1, 2016 and annually thereafter, to meet the Secretary of Labor's annual E.O. minimum wage. The Administrator of the Department of Labor's Wage and Hour Division (the Administrator) will publish annual determinations in the Federal Register no later than 90 days before the effective date of the new E.O. minimum wage rate. The Administrator will also publish the applicable E.O. minimum wage on *www.wdol.gov* (or any successor Web site) and on all wage determinations issued under the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute. The applicable published E.O. minimum wage is incorporated by reference into this Subcontract.

(c) (i) The Subcontractor may request a price adjustment only after the effective date of the new annual E.O. minimum wage determination. Prices will be adjusted only if labor costs increase as a result of an increase in the annual

E.O. minimum wage, and for associated labor costs and relevant sub-subcontract costs. Associated labor costs shall include increases or decreases that result from changes in social security and unemployment taxes and workers' compensation insurance, but will not otherwise include any amount for general and administrative costs, overhead, or profit.

(ii) Sub-subcontractors may be entitled to adjustments due to the new minimum wage, pursuant

11

to paragraph 20.2(b). Subcontractors shall consider any sub-subcontractor requests for such price adjustment.

(iii) The Procurement Administrator will not adjust the Subcontract price under this clause for any costs other than those identified in paragraph 20.2(c)(i) of this clause, and will not provide duplicate price adjustments with any price adjustment under clauses implementing the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute.

(d) The Subcontractor warrants that the prices in this Subcontract do not include allowance for any contingency to cover increased costs for which adjustment is provided under this clause.

(e) A pay period under this clause may not be longer than semi-monthly, but may be shorter to comply with any applicable law or other requirement under this Subcontract establishing a shorter pay period. Workers shall be paid no later than one pay period following the end of the regular pay period in which such wages were earned or accrued.

(f) The Subcontractor shall pay, unconditionally to each worker, all wages due free and clear without subsequent rebate or kickback. The Subcontractor may make deductions that reduce a worker's wages below the E.O. minimum wage rate only if done in accordance with 29 CFR 10.23, Deductions.

(g) The Subcontractor shall not discharge any part of its minimum wage obligation under this clause by furnishing fringe benefits or, with respect to workers whose wages are governed by the Service Contract Labor Standards statute, the cash equivalent thereof.

(h) Nothing in this clause shall excuse the Subcontractor from compliance with any applicable Federal or State prevailing wage law or any applicable law or municipal ordinance establishing a minimum wage higher than the E.O. minimum wage. However, wage increases under such other laws or municipal ordinances are not subject to price adjustment under this subpart.

(i) The Subcontractor shall pay the E.O. minimum wage rate whenever it is higher than any applicable collective bargaining agreement(s) wage rate.

(j) The Subcontractor shall follow the policies and procedures in 29 CFR 10.24(b) and 10.28 for treatment of workers engaged in an occupation in which they customarily and regularly receive more than \$30 a month in tips.

**20.3** (a) This clause applies to workers as defined in paragraph 20.1. As provided in that definition—

(A) Workers are covered regardless of the contractual relationship alleged to exist between the Subcontractor or sub-subcontractor and the worker;

(B) Workers with disabilities whose wages are calculated pursuant to special certificates issued under 29

U.S.C. 214(c) are covered; and

(C) Workers who are registered in a bona fide apprenticeship program or training program registered with the Department of Labor's Employment and Training Administration, Office of Apprenticeship, or with a State Apprenticeship Agency recognized by the Office of Apprenticeship, are covered.

(b) This clause does not apply to—

(i) Fair Labor Standards Act (FLSA)-covered individuals performing in connection with Subcontracts covered by the E.O., *i.e.* those individuals who perform duties necessary to the performance of the Subcontract, but who are not directly engaged in performing the specific work called for by the Subcontract, and who spend less than 20 percent of their hours worked in a particular workweek performing in connection with such Subcontracts;

(ii) Individuals exempted from the minimum wage requirements of the FLSA under 29 U.S.C. 213(a) and 214(a) and (b), unless otherwise covered by the Service Contract Labor Standards statute, or the Wage Rate Requirements (Construction) statute. These individuals include but are not limited to—

(A) Learners, apprentices, or messengers whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(a).

(B) Students whose wages are calculated pursuant to special certificates issued under 29 U.S.C. 214(b).

(C)Those employed in a bona fide executive, administrative, or professional capacity (29

### U.S.C. 213(a)(1) and 29 CFR part 541).

**20.4** NOTICE. The Subcontractor shall notify all workers performing work on, or in connection with, this Subcontract of the applicable E.O. minimum wage rate under this clause. With respect to workers covered by the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute, the Subcontractor may meet this requirement by posting, in a prominent and accessible place at the worksite, the applicable wage determination under those statutes. With respect to workers whose wages are governed by the FLSA, the Subcontractor shall post notice, utilizing the poster provided by the Administrator, which can be obtained at <u>www.dol.gov/whd/govcontracts</u>, in a prominent and accessible place at the worksite. Subcontractors that customarily post notices to workers electronically may post the notice electronically provided the electronic posting is displayed prominently on any Web site that is maintained by the Subcontractor, whether external or internal, and customarily used for notices to workers about terms and conditions of employment.

#### **20.5** PAYROLL RECORDS.

(a) The Subcontractor shall make and maintain records, for three years after completion of the work, containing the following information for each worker:

- (i) Name, address, and social security number;
- (ii) The worker's occupation(s) or classification(s);
- (iii) The rate or rates of wages paid;
- (iv) The number of daily and weekly hours worked by each worker;
- (v) Any deductions made; and
- (vi) Total wages paid.

(b) The Subcontractor shall make records pursuant to paragraph 20.5(a) of this clause available for inspection and transcription by authorized representatives of the Administrator. The Subcontractor shall also make such records available upon request of the Procurement Administrator.

(c) The Subcontractor shall make a copy of the Subcontract available, as applicable, for inspection or transcription by authorized representatives of the Administrator.

(d) Failure to comply with this paragraph 20.5 shall be a violation of 29 CFR 10.26 and this Subcontract. Upon direction of the Administrator or upon the Procurement Administrator's own action, payment shall be withheld until such time as the noncompliance is corrected.

(e) Nothing in this clause limits or otherwise modifies the Subcontractor's payroll and recordkeeping obligations, if any, under the Service Contract Labor Standards statute, the Wage Rate Requirements (Construction) statute, the Fair Labor Standards Act, or any other applicable law.

**20.6** ACCESS. The Subcontractor shall permit authorized representatives of the Administrator to conduct investigations, including interviewing workers at the worksite during normal working hours.

**20.7** WITHHOLDING. The Procurement Administrator, upon his or her own action or upon written request of the Administrator, will withhold funds or cause funds to be withheld, from the Subcontractor under this or any other Federal Subcontract with the same Subcontractor, sufficient to pay workers the full amount of wages required by this clause.

**20.8** DISPUTES. Department of Labor has set forth in 29 CFR 10.51, Disputes concerning Subcontractor compliance, the procedures for resolving disputes concerning a Subcontractor's compliance with Department of Labor regulations at 29 CFR part 10. Such disputes shall be resolved in accordance with those procedures and not the Disputes clause of this Subcontract. These disputes include disputes between the Subcontractor (or any of its sub-subcontractors) and the contracting agency, the Department of Labor, or the workers or their representatives.

**20.9** ANTIRETALIATION. The Subcontractor shall not discharge or in any other manner discriminate against any worker because such worker has filed any complaint or instituted or caused to be instituted any proceeding under or related to compliance with the E.O. or this clause, or has testified or is about to testify in any such proceeding.

**20.10** SUB-SUBCONTRACTOR COMPLIANCE. The Subcontractor is responsible for subsubcontractor compliance with the requirements of this clause and may be held liable for unpaid wages due sub-subcontractor workers.

**20.11** SUB-SUBCONTRACTS. The Subcontractor shall include the substance of this clause, including this

paragraph 20.11in all sub-subcontracts, regardless of dollar value, that are subject to the Service Contract Labor Standards statute or the Wage Rate Requirements (Construction) statute, and are to be performed in whole or in part in the United States.

# 21. SERVICE CONTRACT REPORTING REQUIREMENTS

**21.1** As used in this clause, "Subcontract" means a Subcontract awarded directly by SDSTA for the purpose of acquiring supplies or services (including construction) for performance of a prime contract. It does not include SDSTA's supplier agreements with vendors, such as long-term arrangements for materials or supplies that benefit multiple contracts and/or the costs of which are normally applied to SDSTA's general and administrative expenses or indirect costs.

**21.2** The Subcontractor providing services under this Subcontract, with Subcontracts valued at or above the thresholds set forth in paragraph 21.3 must report the information in paragraph 21.4 at <u>www.sam.gov</u>, annually by October 31. If the Subcontractor fails to submit the report in a timely manner, the Procurement Administrator will exercise appropriate contractual remedies.

**21.3** Reporting is required according to the following thresholds:

(a) All cost-reimbursement, time-and-materials, and labor-hour service contracts and orders with an estimated total value above the simplified acquisition threshold.

- (b) All fixed-price service contracts awarded and orders issued according to the following thresholds:
  - (i) Awarded or issued in Fiscal Year 2014, with an estimated total value of \$2.5 million or greater.
  - (ii) Awarded or issued in Fiscal Year 2015, with an estimated total value of \$1 million or greater.
  - (iii) Awarded or issued in Fiscal Year 2016, and subsequent years, with an estimated total value

of \$500,000 or greater.

**21.4** The Subcontractor must report the following information:

(a) Subcontract number (including Subcontractor name and DUNS number); and

(b) The number of Subcontractor direct-labor hours expended on the services performed during the previous Government fiscal year.

**21.5** The information in paragraph 21.3 will be made available to the public as required by section 743 of Division C of the Consolidated Appropriations Act, 2010.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors, applies to all contracts subject to the Service Contract Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family Page 7 15-5377

to the employee) who is the victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

ALL OCCUPATIONS LISTED ABOVE RECEIVE THE FOLLOWING BENEFITS:

HEALTH & WELFARE: \$4.27 per hour or \$170.80 per week or \$740.13 per month

VACATION: 2 weeks paid vacation after 1 year of service with a contractor or successor, 3 weeks after 10 years, and 4 weeks after 15 years. Length of service includes the whole span of continuous service with the present contractor or successor, wherever employed, and with the predecessor contractors in the performance of similar work at the same Federal facility. (See 29 CFR 4.173)

HOLIDAYS: A minimum of ten paid holidays per year: New Year's Day, Martin Luther King Jr.'s Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas Day. (A contractor may substitute for any of the named holidays another day off with pay in accordance with a plan communicated to the employees involved.) (See 29 CFR 4.174)

#### THE OCCUPATIONS WHICH HAVE NUMBERED FOOTNOTES IN PARENTHESES RECEIVE THE FOLLOWING:

1) COMPUTER EMPLOYEES: Under the SCA at section 8(b), this wage determination does not apply to any employee who individually qualifies as a bona fide executive, administrative, or professional employee as defined in 29 C.F.R. Part 541. Because most Computer System Analysts and Computer Programmers who are compensated at a rate not less than \$27.63 (or on a salary or fee basis at a rate not less than \$455 per week) an hour would likely qualify as exempt computer professionals, (29 C.F.R. 541. 400) wage rates may not be listed on this wage determination for all occupations within those job families. In addition, because this wage determination may not list a wage rate for some or all occupations within those job families if the survey data indicates that the prevailing wage rate for the occupation equals or exceeds \$27.63 per hour conformances may be necessary for certain nonexempt employees. For example, if an individual employee is nonexempt but nevertheless performs duties within the scope of one of the Computer Systems Analyst or Computer Programmer occupations for which this wage determination does not specify an SCA wage rate, then the wage rate for that employee must be conformed in accordance with the conformance procedures described in the conformance note included on this wage determination.

Additionally, because job titles vary widely and change quickly in the computer industry, job titles are not determinative of the application of the computer professional exemption. Therefore, the exemption applies only to computer employees who satisfy the compensation requirements and whose primary duty consists of: (1) The application of systems analysis techniques and procedures, including

 The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software or system functional specifications;

(2) The design, development, documentation, analysis, creation, testing or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications;

(3) The design, documentation, testing, creation or modification of computer programs related to machine operating systems; or

(4) A combination of the aforementioned duties, the performance of which requires the same level of skills. (29 C.F.R. 541.400).

2) AIR TRAFFIC CONTROLLERS AND WEATHER OBSERVERS - NIGHT PAY & SUNDAY PAY: If you work at night as part of a regular tour of duty, you will earn a night differential and receive an additional 10% of basic pay for any hours worked between 6pm and 6am. If you are a full-time employed (40 hours a week) and Sunday is part of your regularly scheduled workweek, you are paid at your rate of basic pay plus a Sunday premium of 25% of your basic rate for each hour of Sunday work which is not overtime Page 8

15-5377 (i.e. occasional work on Sunday outside the normal tour of duty is considered overtime work).

\*\* HAZARDOUS PAY DIFFERENTIAL \*\*

An 8 percent differential is applicable to employees employed in a position that represents a high degree of hazard when working with or in close proximity to ordnance, explosives, and incendiary materials. This includes work such as screening, blending, dying, mixing, and pressing of sensitive ordnance, explosives, and pyrotechnic compositions such as lead azide, black powder and photoflash powder. All dry-house activities involving propellants or explosives. Demilitarization, modification, renovation, demolition, and maintenance operations on sensitive ordnance, explosives and incendiary materials. All operations involving re-grading and cleaning of artillery ranges.

A 4 percent differential is applicable to employees employed in a position that represents a low degree of hazard when working with, or in close proximity to ordnance, (or employees possibly adjacent to) explosives and incendiary materials which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation, irritation of the skin, minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used. All operations involving, unloading, storage, and hauling of ordnance, explosive, and incendiary ordnance material other than small arms ammunition. These differentials are only applicable to work that has been specifically designated by the agency for ordnance, explosives, and incendiary material differential pay.

\*\* UNIFORM ALLOWANCE \*\*

If employees are required to wear uniforms in the performance of this contract (either by the terms of the Government contract, by the employer, by the state or local law, etc.), the cost of furnishing such uniforms and maintaining (by laundering or dry cleaning) such uniforms is an expense that may not be borne by an employee where such cost reduces the hourly rate below that required by the wage determination. The Department of Labor will accept payment in accordance with the following standards as compliance:

The contractor or subcontractor is required to furnish all employees with an adequate number of uniforms without cost or to reimburse employees for the actual cost of the uniforms. In addition, where uniform cleaning and maintenance is made the responsibility of the employee, all contractors and subcontractors subject to this wage determination shall (in the absence of a bona fide collective bargaining agreement providing for a different amount, or the furnishing of contrary affirmative proof as to the actual cost), reimburse all employees for such cleaning and maintenance at a rate of \$3.35 per week (or \$.67 cents per day). However, in those instances where the uniforms furnished are made of "wash and wear" materials, may be routinely washed and dried with other personal garments, and do not require any special treatment such as dry cleaning, daily washing, or commercial laundering in order to meet the cleanliness or appearance standards set by the terms of the Government contract, by the contractor, by law, or by the nature of the work, there is no requirement that employees be reimbursed for uniform maintenance costs.

\*\* SERVICE CONTRACT ACT DIRECTORY OF OCCUPATIONS \*\*

The duties of employees under job titles listed are those described in the "Service Contract Act Directory of Occupations", Fifth Edition (Revision 1), dated September 2015, unless otherwise indicated.

\*\* REQUEST FOR AUTHORIZATION OF ADDITIONAL CLASSIFICATION AND WAGE RATE, Standard Form 1444 (SF-1444) \*\*

Conformance Process:

15-5377 The contracting officer shall require that any class of service employee which is not listed herein and which is to be employed under the contract (i.e., the work to be performed is not performed by any classification listed in the wage determination), be classified by the contractor so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination (See 29 CFR 4.6(b)(2)(i)). Such conforming procedures shall be initiated by the contractor prior to the performance of contract work by such unlisted class(es) of employees (See 29 CFR 4.6(b)(2)(ii)). The Wage and Hour Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be paid to all employees performing in the classification from the first day of work on which contract work is performed by them in the classification. Failure to pay such unlisted employees the compensation agreed upon by the interested parties and/or fully determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract. (See 29 CFR 4.6(b)(2)(v)). When multiple wage determinations are included in a contract, a separate SF-1444 should be prepared for each wage determination to which a class(es) is to be conformed.

The process for preparing a conformance request is as follows:

1) When preparing the bid, the contractor identifies the need for a conformed occupation(s) and computes a proposed rate(s).

2) After contract award, the contractor prepares a written report listing in order the proposed classification title(s), a Federal grade equivalency (FGE) for each proposed classification(s), job description(s), and rationale for proposed wage rate(s), including information regarding the agreement or disagreement of the authorized representative of the employees involved, or where there is no authorized representative, the employees themselves. This report should be submitted to the contracting officer no later than 30 days after such unlisted class(es) of employees performs any contract work.

3) The contracting officer reviews the proposed action and promptly submits a report of the action, together with the agency's recommendations and pertinent information including the position of the contractor and the employees, to the U.S. Department of Labor, Wage and Hour Division, for review (See 29 CFR 4.6(b)(2)(ii)).

4) Within 30 days of receipt, the Wage and Hour Division approves, modifies, or disapproves the action via transmittal to the agency contracting officer, or notifies the contracting officer that additional time will be required to process the request.

5) The contracting officer transmits the Wage and Hour Division's decision to the contractor.

6) Each affected employee shall be furnished by the contractor with a written copy of such determination or it shall be posted as a part of the wage determination (See 29 CFR 4.6(b)(2)(iii)).

Information required by the Regulations must be submitted on SF-1444 or bond paper.

When preparing a conformance request, the "Service Contract Act Directory of Occupations" should be used to compare job definitions to ensure that duties requested are not performed by a classification already listed in the wage determination. Remember, it is not the job title, but the required tasks that determine whether a class is included in an established wage determination. Conformances may not be used to artificially split, combine, or subdivide classifications listed in the wage determination (See 29 CFR 4.152(c)(1)).
